

2026–2027

Panama Canal

Dubbed the “world’s greatest shortcut” and hailed as one of humanity’s top engineering achievements, the Panama Canal is a must-see. And the best way to experience it is by ship. With Princess, you can transit either the historic locks (dating back to 1914) or the cutting-edge locks that launched in 2016. You’ll also go beyond the canal, as we immerse you in the region’s stunning landscapes and vibrant wildlife. Explore everything from lush rainforests to colorful cultures in cities steeped in the Age of Exploration. Join us in ’26 and ’27 aboard our newest ship, the next-generation Star Princess®, as she embarks on her maiden voyages through the canal’s colossal locks. Sail Princess and discover why we’re the **#1 Panama Canal cruise line**, bringing more guests through this historic region each year than any other.

Craft your journey: experience the Panama Canal *your way*

Roundtrip from Ft. Lauderdale: Our 12-day Panama Canal with Costa Rica & Caribbean is ideal for the thrill of transiting the canal’s locks on the Atlantic side. Plus, you’ll get to lounge on relaxing beaches in Costa Rica and stroll historic cities like Cartagena, Colombia.

Ocean to Ocean: Sail between the Atlantic and Pacific to fully appreciate the canal’s engineering feats. This full transit of the Panama Canal’s locks means you’ll experience a diverse array of cultures on both sides, from the Caribbean to Mexico. With Princess, embarking on this adventure is easy. Conveniently sail from a variety of ports: Ft. Lauderdale, Los Angeles, San Francisco and San Diego.

Nature & history: Discover verdant rainforests in Costa Rica filled with ecological wonders and unique wildlife. With Princess, you can choose from Animal Planet™ – recommended shore excursions giving you a chance to interact with animals like the adorable, tree-dwelling sloths in their natural habitats. You’ll also have access to UNESCO World Heritage Sites, including Cartagena’s walled Old Town and the Archaeological Site of Panamá Viejo.

Engineering & Lock Transit: Powered by gravity using water from the world’s largest man-made lake, it’s no wonder the Panama Canal is one of Condé Nast’s 7 Cruise Wonders of the World. With Princess, you’ll enjoy breathtaking views as your ship is raised and lowered

through the massive lock system. We enhance it all with live expert narration for a fully immersive journey. As the first cruise line to transit these locks in 1967, we ensure you have an enriching experience filled with the fascinating history and engineering marvels of the canal.

Princess MedallionClass™ Experience:

It’s having whatever you need delivered wherever you are. It’s enjoying fast Wi-Fi that lets you stay connected. It’s finding your shipmates on board and never having to fumble for a key. The Princess® MedallionClass experience gives you more of the vacation you’ll love. And it’s for everyone.
